To: Mr. Gashaw Asheber Getenet

To Whom It May Concern,

This is to certify that **Gashaw Asheber** was employed as a High School **INFORMATION TECHNOLOGY(IT) Teacher and IT Support officer** at Glory High School from December 8, 2023 to till now. During his tenure, Mr. Gashaw was responsible for:

- Teaching ICT courses to high school students, covering computer fundamentals, programming, networking, and digital literacy.
- Developing and implementing engaging lesson plans that incorporated practical, hands-on activities.
- Conducting computer lab sessions to ensure students gained practical experience with various software and hardware components.
- Assisting in the maintenance and troubleshooting of the school's IT infrastructure, ensuring smooth operation of digital learning tools.

Beyond their teaching role, Mr. Gashaw actively contributed to various IT-related extracurricular activities, such as:

- Organizing and leading coding workshops, tech clubs, and IT competitions to enhance students' technological skills.
- Coaching students for national IT-related competitions.
- Supporting the school's digital transformation by training staff in the use of educational technology tools.
- Managing and updating the school's online learning platforms, ensuring accessibility for students and teachers.

Throughout these two years at Glory school Mr.Gashaw demonstrated outstanding professionalism, technical expertise, and a commitment to fostering a technology-driven learning environment.

His efforts were instrumental in improving students' IT proficiency and promoting a culture of innovation within the school.

We deeply appreciate his contributions and wish him great success in his future career endeavors. If any further information is needed, please feel free to contact us.

Warm regards,

Shigiger Daniel
